Invitation to bid Reopening of three Federal bonds

As already announced the German Federal Government will reopen the following Federal bonds through a multi-ISIN auction on 15 April 2026:

1.25 % bond of the Federal Republic of Germany of 2017 (2048)

ISIN DE0001102432

Maturity: 15 August 2048

Current volume : € 41 billion

0 % bond of the Federal Republic of Germany of 2021 (2052)

ISIN DE0001102572

Maturity: 15 August 2052

Current volume : € 36.5 billion

2.90 % bond of the Federal Republic of Germany of 2025 (2056)

ISIN DE000BU2D012

Maturity: 15 August 2056

Current volume : € 23 billion

An increase of € 3 billion in total is envisaged for the reopening of all bonds (including respective retention quote) with a planned share of € 1 billion for the 1.25 % bond of the Federal Republic of Germany of 2017 (2048), ISIN DE0001102432, € 1 billion for the 0 % bond of the Federal Republic of Germany of 2021 (2052), ISIN DE0001102572, and € 1 billion for the 2.90 % bond of the Federal Republic of Germany of 2025 (2056), ISIN DE000BU2D012. The effective increase of each bond will be determined by the allotment on 15 April 2026.
